

# FOG DISPENSER

## MAY 2016 DINNER MEETING

### MAIN PROGRAM: AWARDS & PRODUCT SHOW DINNER MEETING

**Product Show:** The annual product show starts at 5pm. Don't miss this opportunity to meet the vendors and check out the latest and greatest stuff. You can also have a drink and hobnob with your ASHRAE friends. Hopefully you'll also stay for dinner and presentations, but dinner registration is not required for product show attendance.

A free drink ticket will be provided to all who register in advance online and arrive by 5:15pm. So don't be late!

For information about table-top display opportunities, contact Ivan Molina, [iimc@mac.com](mailto:iimc@mac.com), 805.459.5302.

## Bay Area Science Fair

Congratulations to Isabel Kwan of St. Anne School for being selected as the ASHRAE Golden Gate award winner at the Bay Area Science Fair. Isabel's project, "Hot or Not: Beat the Heat Like a Boss" studied the effect of window tint on room temperature. Her project impressed our judges for its attention to detail and impact on energy use in buildings.
